

June Parent Newsletter

Summer Payment Reminder

Make sure that you have made your third payment for the summer program no later than June 17th.

Summer Calendars are available for pickup

National BGCA Week June 25th-July 1st. We will be doing some fun things with the kids this week. Stay tuned to find out what they are.

Welcome!

We are happy to be back to normal summer programming!

There are some housekeeping issues that we need to address:

- ◆ You may drop you child of in the morning but in the afternoon you must use the 2 line parking system and come in and sign your child out.
- ◆ Remember on swim and splash days to have them bring a swim suit, towel and sunscreen.
- ◆ Make sure they have tennis shoes and socks for bowling, skating and park days.

Thank you for your patience during this adjustment period.

Children with food sensitivities, allergies, or selective eaters are encouraged to bring their own lunch.

Please call and let us know if you do not want your child going on a field trip.
